Home Buyer

This home was under 12 months of age

I will try to explain how this fantastic was the perfect home for this family

We will start at the top and work our way down:

Main bedroom with a huge ensuite and a walk around robe to die for
3 other bedrooms, main bathroom

Next level:

Kitchen that over looks out to entertaining area and the suspended designer pool
Guest room and ensuite, Lounge area, dining area, formal dining area, laundry
Huge study that was fitted out as a full office. Front balcony

Lower Level:

Home theatre room, cellar climate controlled, Data cable room, Double remote garage
The state of the art video security system, nearly everything was controlled by
the touch of a screen or your mobile.

Land size: 782sqm with remote front gate also with video surveillance.

We purchased home from the Selling agent before it even hit the internet.
