

Brisbane: Hamilton

Extremely Happy Buyers

This home was on the market \$2,600,000 recently purchased for \$2,175,000. 4 bedrooms thus study, 3 bathrooms, open plan marble kitchen that opens out to an unbelievable outdoor entertaining area, which then over looked the in-ground pool with landscaping to die for. Fully smart wired and ducted air-conditioning throughout this magnificent home was a pleasure to inspect and was the buyers dream home.
